1.1.23
a Lesson in the University of The New Covenant
Theodore Cottingham, May 30, 2003

1. My provision is all encompassing, all encompassing, all encompassing. Ted I have provision. I am provision. My people have not recognized Me as such, relegating Me most often to four walls, a time or two a week. Ted, I am Jehovah Jireh, I am that I am, and I am. All My creation needs to be sustained and fulfilled. Plug into Me, see Me, study Me, read Me, speak to Me so I can speak and provide.

2. Gifts Ted, why did I give you the gifts? Why do I give gifts? I give gifts for facilitating the fulfillment of My design for a person. The gifts, the gifts, the gifts, and the pre-eminent gift—My Spirit, the Holy One, the Comforter, tender, powerful, all-knowing, omniscient. Ted, My Spirit I gave, foundationally and pinnacle-ly, with all your gifts in-between, all their gifts in-between.

3. My Spirit—My first and foremost gift—My gift to all who receive and accept and enter into relationship with Me. Oh Ted, to know Me, to know My Spirit, to know My Father. We are three but we are one and we know what we're doing, we knew what we were doing when we gave gifts to man. We gave gifts to be activated by us, by our Spirit, by connection, relationship, energy, yes Ted, the energy of My Spirit, My Spirit, My Spirit.

4. For people to do what I want them to do, what I have for them to do, to have the greatest fulfillment, they must walk in Me in a place, a level of trust, that enables them and empowers them to receive from Me. The more they wholly give themselves to Me, the more I wholly give Myself to them. And the more I give of Myself to them, the more their gifts are activated and come alive and come through and begin to mature in conjunction, in companionship, with Me, to do what I want to do.

5. The gifts connect. The gifts connect a person with other people. The gifts connect with Me for it's Me who opens up and comes through the gift to others, whatever the gift is. So many don't understand this elementary teaching and try to do all things without Me—opening their spirit to Me so little, so little, so little. But I am big and I flourish all those around Me in the way that I want to, I desire. I have My ways and My timing and My timing trips up so many that think they know Me.

6. My gifts and My timing are perfect in the synchronicity and dynamicness of My will. I see all things. I see all people. I monitor all activity and every wish and prayer of those of My creation, waiting and wanting them to come to Me for what they often try to do without Me.

7. Ted, I am not physical. I am spiritual. I am spirit. I am reality. I am real. I come through all flesh, all flesh that will allow Me to and share Me and reflect Me and open to My Spirit so the gifts I have given them can operate effectively, efficiently, with zeal and productivity, productivity, for Me and those I want to be affected by those gifts.

8. Get a larger picture of who I am and how I operate and how I give gifts and come through those gifts, when I can. I can override them, you know that, I have that power, I am power, but what I enjoy is seeing and nurturing those that will come to Me, come to My Spirit, and love Me and let Me come through them in many ways, in the ways of the gifts I've provided.

9. So many surrender fulfillment for money. So many never touch, or barely touch, the provision and fulfillment I have given them.

10. I am provision. I did provide. I am provided. I am is not limited. My Spirit must be allowed to come activate and nurture and mature the gifts I have given.

11. And each person must activate and nurture and mature their gifts from Me in Me. It's not just Me and it's not just them. It's relationship Ted. That's where the church has missed it. This is a major significant area of error in My people. They have not recognized the gifts I've given to My people, to My people, to all people. Did I create any people without gifts from Me? No Ted. And all gifts are linked to other gifts. All gifts of Mine lead to other gifts in Me, of Me, Me, Me, provision, fulfillment.

12. Ted, I've told you so much so many times, that I am more and I have so much more and that I am still giving you the basics, the basics, the basics, of My kingdom and who I am and how I operate.

13. My gifts must be freed. My people that seek Me must understand that I gave gifts to man, to woman, to boys and to girls, and I left out no one.

14. They serve me or they serve money. They can serve money and they may identify and cultivate and nurture their gifts even without Me. Some do. Many try. But Ted, the design is flawed to omit Me from the nurture of their gift for I am part of the gift. Can you see it? Catch it. I am part of the gift. The gift was never designed to work apart from Me. That's why the gift that's even nurtured and matured, but without Me, can never fulfill nor produce the fruit it was intended to yield.

15. There's so much fulfillment in Me, provision in Me, so many gifts in My people that they run right over and ignore, and suffer, suffer, suffer. So many gifts, so much fulfillment, so much provision, so many friends and relationships to enjoy and connect with.

16. There's such joy and laughter in Me, such freedom. Such provision. I am Me. Is this not My character? Am I not Master, King, Designer, Creator, omnipotent, omniscient, King of Kings? Oh, how people reduce Me to nothing so I can fit in their little minds and render Me powerless in their choice to ignore Me.

17. My blessing rests on every person who will receive Me Ted. No exceptions. My blessing, My hand, My gifts, My provision must be explained and taught and expanded in My people.

18. Church, groups of people that come together to honor Me, must recognize how I operate and how I have given gifts to every person and free those gifts in those people, those people. Those precious little ones who desperately seek Me and seek fulfillment but miss Me. Those who come to Me will I give keys to My kingdom and keys to unlock their gifts and the gifts of those around them, those they influence. Power, Ted. This is power and it is powerful and it is elementary in My kingdom.

19. Love and respect do unlock. Power unlocks. My Spirit activates, connects, nurtures, provides. Ted, you will be interrupted soon or I would keep giving you more on this now. I will, I will more later. My gifts are there. My gifts are real. My gifts bring fulfillment to those who come to Me so I can come through them.

20. Those without Me suffer and those with Me enjoy a realm that those without Me only can imagine, barely, sometimes.

21. I am Free Ted. I am free and I am Freedom and I bring freedom everywhere I go and into every heart and soul and gift surrendered to Me. Religion dominates, I free. I free. I provide. I yield choices on exactly what each one wants to them. That's such great freedom Ted.

22. I will talk much more on freedom for I've told you, you are a ministry of prayer and freedom and you know more and have more wisdom of Me in prayer than you do in freedom. But you're on to it for you are on to Me and My heart and what's on My heart for My people.

23. Great freedom. Great deliverer you are Ted. Great deliverer. Great deliverer. You will deliver Me to them and them to Me and oh, such fun, such joy, such fulfillment. Ted, such deep internal, external, all-permeating fulfillment, fulfillment you have yet to imagine and experience in Me and My presence and My chambers.

24. Freedom Ted, prayer and freedom. Freedom and prayer. Power, relationships, freedom, provision, gifts, humility, surrender, sacrifice, laughter, Me, Me, Me, Me and you, Me in you, us together, as one, one one.
